Ryan White HIV/AIDS Program (RWHAP) Part A, B, C, and D recipients must submit two program-specific reports to HRSA: 1) RWHAP Allocation Report, and 2) RWHAP Expenditure Report. These documents serve as a reference to determine how recipients allocate and subsequently expend federal grant awards each budget period. It is important to note that the Ryan White HIV/AIDS Program annual allocation and expenditure reports do not serve as source documents for determining the total amount of funds awarded and unspent by recipients.

## **RWHAP Expenditures Reports**

Ryan White HIV/AIDS Program (RWHAP) Part A, B, C, and D recipients must submit a RWHAP Expenditure Report to HRSA describing how federal grant awards were spent for a particular budget period. RWHAP Expenditure Reports include both federal grant awards for the budget period as well as any approved funds for carryover from a previous budget period. Data are accurate as of July 2, 2018. The following Part B recipients have been excluded from the report due to data limitations: North Carolina and Virgin Islands.
