

Dear Community-Based Dental Partnership Program Grantees:

All Community-Based Dental Partnership Program (CBDPP) grant recipients are required to submit a completed Dental Services Report annually that reflects aggregate data from all partnership members and sites. Please submit this report for the period January 1 through December 31, 2017. Your annual report is due **no later than March 23, 2018**.

Copies of the report and instructions will only be available at <https://hab.hrsa.gov/program-grants-management/data-reporting-requirements-and-technical-assistance>. To download these materials, scroll down to the “Dental Services Report (DSR)” section.

Your report must be submitted in the Office of Management and Budget (OMB)-approved format.

If you require any assistance obtaining, completing or submitting the report, please contact the WRMA/CSR Ryan White HIV/AIDS Program Data Support help desk. A representative from Data Support may contact you to verify some of the data you submit in your 2018 CBDPP Dental Services Report.

WRMA/CSR Ryan White HIV/AIDS Program Data Support

Toll-Free Help Line: 1-888-640-9356
Monday – Friday, 10:00 a.m. to 6:30 p.m. ET

E-mail: RyanWhiteDataSupport@wrma.com

Please provide your institution’s name to the technical assistance specialist. When submitting a request via e-mail, be sure to include in the message text your institution’s name and your position within the organization. Please note that Data Support is closed on all observed Federal Public Holidays.

The HIV/AIDS Bureau (HAB) makes funds available to support requests by Ryan White HIV/AIDS Program grant recipient programs for technical assistance in various topic areas. If you have identified a need for technical assistance, please contact your HRSA project officer.

We appreciate your continuing cooperation and assistance to report complete and accurate program data for your entire partnership program. Your data are invaluable in documenting the beneficial use of CBDPP grant funds, in demonstrating program effectiveness for serving vulnerable and underserved populations severely affected by HIV disease, and in articulating the importance of continued Ryan White HIV/AIDS Program funding for oral health care. Your full participation in this effort helps to ensure that HAB can accurately represent to Congress and other program stakeholders your important work with people living with HIV and AIDS.

Sincerely,

HIV/AIDS Bureau
