INDEPENDENT AUDITORS' REPORT

Board of Directors of
Greater Ouachita Coalition
Providing AIDS Resources and Education

Report on the Financial Statements

We have audited the accompanying financial statements of the Greater Ouachita Coalition Providing AIDS Resources and Education (GoCare), which comprise the statements of financial position as of December 31, 2012 and 2011, and the related statements of activities, functional expenses and cash flows for the years then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall financial statement presentation.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of GoCare, as of December 31, 2012 and 2011, and the changes in its net assets and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated June 10, 2013, on our consideration of GoCare's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering GoCare's internal control over financial reporting and compliance.

GREATER OUACHITA COALITION
PROVIDING AIDS RESOURCES AND EDUCATION
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2012 AND 2011

Note 1 - Nature of Activities and Summary of Significant Accounting Policies

Nature of Activities

The purpose of the Greater Ouachita Coalition Providing AIDS Resources and Education (GoCare) is to provide educational and direct services in order to stop the spread of HIV disease and assist HIV-infected individuals and their families.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Basis of Accounting

The financial statements of GoCare have been prepared on the accrual basis and, accordingly, reflect all significant receivables and payables.

Basis of Presentation

FASB Accounting Standards Codification (ASC) section 958-205 *Not-for-Profit Entities, Presentation of Financial Statements* establishes standards for external financial reporting by not-for-profit organizations and requires that resources be classified for accounting and reporting purposes into three net asset categories according to externally (donor) imposed restrictions. ASC section 958-605 *Not-for-Profit Entities, Revenue Recognition* requires that unconditional promises to give (pledges) be recorded as receivables and revenues and requires the organization to distinguish between contributions received for each net asset category in accordance with donor-imposed restrictions.

Unrestricted Net Assets – Net assets that are not subject to donor-imposed stipulations.

Temporarily Restricted Net Assets – Net assets subject to donor-imposed stipulations that may or will be met either by actions of GoCare and/or passage of time. As of December 31, 2012 and 2011, there were no temporarily restricted net assets.

Permanently Restricted Net Assets – Net assets subject to donor-imposed stipulations that they be maintained permanently by GoCare. Generally, the donors of these assets permit GoCare to use all of, or part of, the income earned on the related investments for general or specific purposes. As of December 31, 2012 and 2011, there were no permanently restricted net assets.

GREATER OUACHITA COALITION
PROVIDING AIDS RESOURCES AND EDUCATION
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2012 AND 2011

Note 1 - Nature of Activities and Summary of Significant Accounting Policies (Con't)

Cash and Cash Equivalents

GoCare considers all highly liquid investments with an original maturity of three months or less to be cash equivalents

Grants Receivable

Grants receivable represent amounts that have been expensed for grant purposes and are to be reimbursed in full by the grantor and have been promised over the next twelve months.

Economic Dependency

GoCare receives over 66% of its support through federal government grant funding. The continued yearly renewal of these grants is vital to the continuation of the facility.

Note 2 - Cash and Cash Equivalents

GoCare maintains its cash balances in one local financial institution. The bank statement balances total \$427,081 as of December 31, 2012. Accounts at the financial institution are insured by the Federal Deposit Insurance Corporation up to \$250,000 for interest bearing accounts and limitless on non-interest bearing accounts until December 31, 2012 due to the Dodd-Frank Act. Neither of GoCare's two bank accounts are interest bearing and thus are fully covered by the FDIC.

Note 3 - Income Taxes

GoCare is a nonprofit corporation exempted from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been made; however, should the organization engage in activities unrelated to its exempt purpose, taxable income could result. The organization had no material unrelated business income for the years ended December 31, 2012 and 2011. The earliest income tax year that is subject to examination is 2009.

Note 4 - Property and Equipment

During March 2002, GoCare purchased a computer system known as Lab Tracker that was paid for with funds from the Ryan White Title II Grant. GoCare acted as a pass through agency for the benefit of the state. The Ryan White grant was increased by \$41,906 in order to pay for the system. GoCare does not own the system, nor does it have control of the system. It is located and maintained at the Louisiana State University Health Science Center at Monroe.

GREATER OUACHITA COALITION
PROVIDING AIDS RESOURCES AND EDUCATION
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2012 AND 2011

Note 5 - Lease Expense

GoCare is obligated under a lease agreement for the building in which it operates. The annual lease is subject to automatic renewal and the monthly payment is \$2,640. The original lease was amended in August 2010 to change the physical location being leased but leaving amount per month to remain the same. The rental expense was \$31,680 for the years ended December 31, 2012 and 2011. In January 2003, GoCare entered into a lease agreement for a period of 60 months at \$1,278 per month. This lease is for the Med III Building housed at Louisiana State University Health Science Center at Monroe and is paid for out of Title III grant funds. This lease was automatically renewed in March 2008 for an additional 30 months at \$638 per month and renewed again in September 2010 for an additional 24 months at \$685 per month. During 2012, the Med III Building was paid for and subsequently donated to EA Conway Medical Center. The rental expense was \$5,484 and \$8,225 for the years ended December 31, 2012 and 2011, respectively.

Future minimum rental commitments are as follows:

<u>Years Ending December 31,</u>	<u>Amount</u>
2013	\$ 31,680
2014	<u>26,400</u>
Total	<u>\$ 58,080</u>

Note 6 - 340B Medication Program

GoCare entered into a new agreement commencing July 1, 2010 with Reliant Healthcare to stock prescription medications for the purpose of distribution to GoCare clientele. GoCare purchases the prescriptions from Morris and Dickson and Reliant holds and distributes them upon receipt of a valid doctor's prescription. The agreement allows for GoCare to receive reimbursement for the cost of the medication sold as well as 70% of the gross profit from the sale.

Note 7 - Related Party Transactions

Go Care shares a building and staff with Bayou Care Housing. GoCare received \$4,200 for Bayou Care Housing's share of rent in 2012 and 2011. Also, Bayou Care paid GoCare administration fees in the amount of \$6,471 and \$5,324 for the years ending December 31, 2012 and 2011, respectively.

Note 8 - Subsequent Events

Subsequent events have been evaluated through June 10, 2013, which is the day the financial statements were available to be issued, and it has been determined that no significant events have occurred for disclosure.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors of
Greater Ouachita Coalition
Providing AIDS Resources and Education

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Greater Ouachita Coalition Providing AIDS Resources and Education (GoCare), which comprise the statements of financial position as of December 31, 2012 and 2011, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated June 10, 2013.

Internal Control Over Financial Reporting

In planning and performing our audits of the financial statements, we considered GoCare's internal control over financial reporting to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing our opinion on the effectiveness of GoCare's internal control. Accordingly, we do not express an opinion on the effectiveness of GoCare's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of GoCare's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether GoCare's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audits, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that is required to be reported under the *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the GoCare's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering GoCare's internal control and compliance. Accordingly, the communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY OMB CIRCULAR A-133

Board of Directors of
Greater Ouachita Coalition
Providing AIDS Resources and Education

Report on Compliance for Each Major Federal Program

We have audited Greater Ouachita Coalition Providing AIDS Resources and Education's (GoCare) compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of GoCare's major federal programs for the years ended December 31, 2012 and 2011. GoCare's major federal programs are identified in the Summary of Auditors' Results section of the accompanying Schedule of Findings and Questioned Costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts and grants applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of GoCare's major federal programs based on our audits of the types of compliance requirements referred to above. We conducted our audits of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about GoCare's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audits provide a reasonable basis for our opinion on compliance for each material federal program. However, our audits do not provide a legal determination on GoCare's compliance.

Opinion on Each Major Federal Program

In our opinion, GoCare complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of the major federal programs for the years ended December 31, 2012 and 2011.

Internal Control Over Compliance

Management of GoCare is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audits of compliance, we considered GoCare's internal control over compliance with the types of requirements that could have a direct and material effect on a major federal program in order to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of GoCare's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

PROVIDING AIDS RESOURCES AND EDUCATION
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
FOR THE YEAR ENDED DECEMBER 31, 2012

SUMMARY OF AUDIT RESULTS

1. The auditors' report expressed an unmodified opinion on the financial statements of the Greater Ouachita Coalition Providing AIDS Resources and Education (GoCare).
2. No significant deficiencies were disclosed during the audit of the financial statements to be reported in the Report on Internal Control Over Financial Reporting and on Compliance Based on an Audit of Financial Statements Performed In Accordance With *Government Auditing Standards* and Independent Auditors' Report On Compliance With Requirements that could have a Direct and Material Effect on Each Major Program and on Internal Control Over Compliance In Accordance With OMB Circular A-133.
3. No instances of noncompliance material to the financial statements of Greater Ouachita Coalition Providing AIDS Resources and Education, which would be required to be reported in accordance with *Government Auditing Standards*, were disclosed during the audit.
4. No significant deficiencies were disclosed during the audit of the major federal award programs in the Independent Auditors' Report On Compliance With Requirements that could have a Direct and Material Effect on Each Major Program and on Internal Control Over Compliance In Accordance With OMB Circular A-133.
5. The auditors' report on compliance for the major federal award programs for Greater Ouachita Coalition Providing AIDS Resources and Education expressed an unmodified opinion on all major federal programs.
6. There were no audit findings relative to the major federal award programs for GoCare.
7. The programs tested as a major program included the Department of Health Resources and Services Administration, CFDA Nos. 93.917 and 93.918.
8. The threshold for distinguishing between Types A and B programs was \$300,000.
9. GoCare does qualify to be a low-risk auditee.

GREATER OUACHITA COALITION
PROVIDING AIDS RESOURCES AND EDUCATION
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL
AWARDS FOR THE YEAR ENDED DECEMBER 31, 2012

1. General

The Schedule of Expenditures of Federal Awards presents the activity of all federal award programs of the Greater Ouachita Coalition Providing AIDS Resources and Education (GoCare). The GoCare reporting entity is defined in Note 1 to GoCare's financial statements. All federal award programs received directly from federal agencies, as well as federal awards passed through other government agencies, are included on the schedule.

2. Basis of Accounting

The Schedule of Expenditures of Federal Awards is presented using the accrual basis of accounting, which is described in Note 1 to GoCare's financial statements. The information in this schedule is presented in accordance with the requirements of OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.
